

Welcome to The **Fitness Evolution Training Academy** here at Burnley College.
To get you started on your journey, we have prepared a google classroom that contains some recommended reading and also some fun challenges.

Google classroom is a resource you will be using whilst studying with us, so why not get practicing right away.

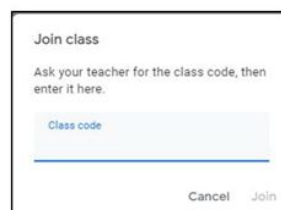

- 1: Using Google Chrome Browser - download the Google Classroom App onto your electronic device

2. Activate the Classroom App - you will then need to join the class. To do this select the PLUS (+) sign at the top right hand corner of the page and from the drop down menu select Join class.

3. You will then be asked for a Class code - please enter ha37moe

4. You are already to go - check the STREAM for your welcome and then the CLASSWORK tab where you will find your recommended reading and also 2 fun challenges for you to complete.

Make sure to submit/ upload your challenges so that our tutors can give you feedback and to be in with a chance of winning a **fantastic fitness prize!**

We are thrilled to be welcoming you on board our industry leading qualification. The only course in the UK that provides CIMSPA and REPS recognition, preparing you fully for a career in the fitness industry.
