

## MUSIC & MUSIC TECHNOLOGY STUDENTS

We hope you've enjoyed your summer and welcome you to Burnley College.

Please find below some information which will help you to prepare for the start of your course.

### Equipment

These are all items that you should bring along with you to college every day:

- College ID badge (to be worn at all times in college)
- Headphones, preferably wired with a 1/4 inch jack input.
- (MUSIC PERFORMANCE STUDENTS ONLY) Instruments (only required on performance days): Guitar and Bass guitar, Drumsticks, Plectrums. Drum kit, Keyboards and microphones are provided by the college

A laptop, PC or mac is advisable but not essential for your studies. During your programme, you will use software packages such as Logic Pro X. Access to a DAW of some kind would also be beneficial but not compulsory. Resources will be shared with you through Google Classroom so access to the google suite outside of college would be beneficial.

Most theoretical work will be submitted electronically, and your digital portfolios will serve as evidence of your work. Some lessons may require stationery for taking notes in class, including:

- Notepads
- Pens/pencils/highlighters

If you have any concerns regarding the requirements, please contact a member of the Music team as soon as possible.
