

Apprenticeship Workshop Skills Coach in Engineering (Fitter)

Salary: Up to £34,531

Closing Date: 5.00pm, Tuesday 3 December 2024

Apply: <https://www.burnley.ac.uk/about-us/vacancies/>

We are seeking knowledgeable and experienced Engineers, specialising in Engineering Fitting to support learning needs in the workshop.

Making the transition from industry to education is something that many of our outstanding Engineering training staff have successfully achieved and it's their experience and skill that continues to challenge and inspire students within our Centre of Engineering Excellence. Why not join them?

This role will require you to plan, deliver and review underpinning knowledge, skills and behaviours in a workshop learning environment and record overall progress for each apprentice, as well as being responsible for an agreed workshop section and to ensure performance targets are met.

The salary for this post is up to £34,531 (depending on experience).

Burnley College Sixth Form Centre is the country's Number One College, providing first-class Further Education, University Education, Apprenticeship, business training and adult learning programmes, in the heart of Pennine Lancashire. Please also see our College Charter below.

At Burnley College, we celebrate the diversity of all our staff, students and visitors. We provide a safe and supportive environment in which everyone is able to study and work to the best of their abilities and we are committed to promoting equality of opportunity for all.

The College is dedicated to safeguarding and promoting the welfare of all learners and expects all staff to share in this commitment. Employment at the College is subject to an Enhanced DBS Check via the Disclosure and Barring Service and any post involving regulated activity will also be subject to an additional barred list check.

To apply for this post, please complete the application form using the link below. If you experience any problems when completing the application form, please e-mail hrrecruitment@burnley.ac.uk
