

## JOB DESCRIPTION

POST TITLE	:	Sales lead Generator for Engineering
SALARY	:	Up to £28,423
RESPONSIBLE	:	Head of Fitness Evolution & North West Business Training
CLOSING DATE	:	5.00pm, Wednesday 8 January 2025
INTERVIEW DATE	:	Thursday 16 January 2025

### **Main Purpose of the Post**

Are you target driven, pro-active, and ready to work within a fast-paced environment? We're on the look-out for highly motivated and passionate sales professional who can build relationships and rapport with customers from Construction, Engineering, Sport & Fitness, Business, Health and science sectors. Within this role you will be involved in the sales cycle from start to finish working towards engaging new and existing businesses in taking up College courses. You will utilise your knowledge of effective sales and relationship building to ensure all courses and apprenticeship targets are achieved.

### **Responsibilities**

1. Follow the entire sales process from enquiry, through to delivery and beyond, with a dedicated approach to your customers and our products
2. Build and maintain excellent customer relations and rapport, leading to the delivery of an outstanding customer experience which assures the success and longevity of professional relationships with our customers and employers
3. Utilise effective negotiation skills, with an advanced knowledge and successful experience of sales, offering sought-after products to our satisfied customers, who repeatedly return to us for their business needs
4. Engage with new and existing contacts and employers to promote Burnley College courses.
5. Being pro-active with your pipeline by maintaining contact with businesses
6. Proactively making a high volume of calls and visits to the customers on a daily basis
7. Meeting and exceeding recruitment targets on a monthly basis. This will include self- management of daily KPIs
8. To assure full compliance with key policies, notably Single Equality, Health and Safety and Safeguarding

to carry out such other duties as the principal may reasonably require

**HOURS:**

37 hours per week. A flexible approach to the working hours is required, in line with the needs of the College.
