

Full name.....

Date.....

Building a simple brick wall

Bring the completed assignment with you on your induction day and hand to the brickwork team

View the video from the link below:

<https://www.youtube.com/watch?v=9nvneEApl9w>

Once you have watched the video, see if you can answer the following questions:

What shape is the building?

How many bricks on the first course?

How many on the second course?

How many on the third course?

How many on the fourth?

How many on the final course?

What is the total number of bricks used?

What size is the joint?

What is the standard depth of a brick?
