

Unit 201: Health, safety and welfare in construction

Activity 3: The health and safety inspector calls (learner)

In groups or individual give an explanation to at least three of the powers below that can be used by the HSE inspector, then discuss your findings with the whole group.

| Powers the HSE Inspector has | What does it mean? |
|--|--------------------|
| Enter premises | |
| Take statements | |
| Check records | |
| Give information | |
| Seize, dismantle, destruct or neutralise | |
| Issue an Improvement Notice | |
| Issue a Prohibition Notice | |
| Prosecute | |
