

## Unit 123: Fixing sheet materials

### Worksheet 2: Plasterboard recognition

---

#### Plasterboard types

Research types of plasterboard and find out which ones would be used for the following. Also, give brief descriptions for each plasterboard.

1. Improved fire protection.

2. Areas affected by extreme moisture.

3. To improve insulation.

4. Areas needing improved acoustics.

5. Areas that are subject to high impact.
