

Welcome to Beauty Therapy at Burnley College

The Level 1 and Level 2 Diploma in Beauty Therapy Studies is a qualification that has been designed to develop your practical skills by covering the following areas; facial skincare, waxing, eyelash and eyebrow treatments, manicure, pedicure, client care and health and safety. You will also have the opportunity to study the following optional units: the application of tanning techniques, instruction on make-up application, eyelash lifting and nail art.

On this beauty course, we will also be looking at wellbeing, which means you will be expected to take part in practical sessions, attend talks with guest speakers and join in with other enrichment activities.

Some of the course modules include :

- Provide facial skin care treatment
- Enhance the appearance of eyebrows and eyelashes
- Carry out waxing services
- Provide manicure services
- Provide pedicure services
- Develop and maintain effectiveness at work
- Promote additional services or products to customers
- Ensure responsibility for actions to reduce risks to health and safety

You will be asked to purchase a uniform, which you must wear everyday you are in college; and you will be asked to purchase a Level 2 Beauty Kit.

We do have very high expectations on beauty that you must adhere to, every day. These include wearing your hair in a bun, not wearing eye lashes, nail enhancements or make up; and bringing a bag with resources that you might need during your college day.
